Dear Member, Friend or Guest of the  
Swiss Societies in the Greater Delaware Valley,

I am delighted to report the launch of the Maurice Rohrbach Fund website. Check it out on the following link: <https://www.mauricerohrbachfund.org/>

I want to take the opportunity to thank the individuals who contributed to the creation of this web-site. I enthusiastically extend my sincere thanks and appreciation to Stephen Harris for building a state of the art web-site.

With thanks and deep gratitude I acknowledge the contributions of Hans-Ulrich Allemann which he provided on a pro bono basis. First, Hans-Ulrich enhanced the MRF logo which was designed by Ben Brotman. Second, he crafted the look and feel of the home page.

I am most grateful to Dr. Alfred Zweidler, the founder of the MRF, for the detailed history page covering the period while he was the director from 1981 – 1996. I also thank Helen Phillips very much for the history page which covers the period she was the director from 1997 – 2014.

The diligent work of present and former directors is acknowledged and appreciated. Thanks go to Dolf Herger, Josie Burri, Diana Larisgoitia, Helen Phillips and Karl Niederer.

I encourage you to have a look at the web site and its various sub-pages and provide your feedback by clicking the “CONTACT” tab on the home page. The Board of Directors would love to hear from you.

**Note:** Clicking the MRF logo on the top left of the screen always brings you back to the “Home Page” regardless what sub-page you are on.

President
